

Big Creek Fall ATV Festival

ORGANIZED RIDES

At this year's Big Creek Fall ATV Festival, we will be hosting our 3 Organized Rides with a couple different trails this year.

EASY RIDE: The Easy ride will be the same as last year's ride with a trip to the Elk Viewing Tower and a stop at Hickory Creek Falls to see one of our lovely falls, this ride will leave at two different intervals, one at 10:00 a.m. and the next one at 1:00 p.m.

MEDIUM RIDE: Our Medium ride is going up Ollis Creek which is one of the wetter trails on the WMA. This trail features one of the areas old cabins as well. About an hour and a half into the trip you will make a rest stop at the 141 exit, then you will go through Meadow Ridge Road then around through Jennings Creek and by another cabin, before completing the ride you will go up Broyles Branch Road, which is one of the most scenic trails with a display Fall colors on the WMA.

CHALLENGING RIDE: This ride has it all! Everything from scenic creeks, mud puddles and scenic views. This ride also goes by one of the areas old cabins and makes a stop at Jennings Creek Falls, then goes to the 141 exit for a rest stop, then comes back onto Flat Woods Road to the City of LaFollette. This ride will take at least 6b hrs. and is for experienced riders.
